Hello, my name is Natasha. If you are a truly discerning gentleman and you have high expectations in life, then look no further. You have come to the right place. I am a wise and sophisticated middle-aged lady and I like a stimulating conversation while performing my grooming service, therefore I choose my clients carefully and ask many questions before booking to make sure that we are a good match. When I start massaging, I go quiet and let you experience an ultimate luxury indulgence. I will massage every inch of your body pressing and sliding against it, coaxing you to complete relaxation. Just surrender to the sweet sensations and allow yourself to be open to self-discovery, exploration and fulfillment. I provide a first class Ultra Luxury body massages with warm oil, which is a truly exceptional massage experience, a very high level of service combined with my unique set of knowledge and philosophy which guarantees to bring you to complete relaxation with added tantalizing sensations. I use superior quality non scented warm oils, candles and relaxing music. I maintain a high level of hygiene and ask my clients to visit me freshly clean in clean clothes. I use a lot of detergents and UV light to sanitise my therapy room. You are safe with me hygienically. Also within my ITEC course I passed exam on handling personal info. Your details will be kept confidential. Looking forward to see you soon.
