The Indigo Dog Home is a great dog house as your dog will appreciate the enclosed walls of this igloo dog house as it satisfies his natural den instincts. With a sturdy structural foam construction, the Indigo Dog Home has been specifically developed to keep your dog warmer during the winter and cooler during the summer. While the extended doorway gives your pet extra protection from blowing rain, it also gives your dog more space to stretch out. This igloo dog house is heavy-duty and is made with Microban® for extra pet protection. Microban is a popular antimicrobial that helps to prevent the growth of bacteria that cause stains, odours, mould and mildew. Has never been slept in, brought new but has been sitting in the garden. Similar ones seen on ebay ranging from £174 to £240. Size 52 x 39 x 30. For collection only from Tunbridge.
