4 Stroke, Inline 4, Fuel Injection, Double Overhead Cams/Twin Cam (DOHC), Liquid Cooled, 6 Speed, Chain Drive, 225KG Dry Weight, 78CM Seat Height, 19LTR Fuel Tank. Suzuki's profile of this bike introducing the 2008 Suzuki Bandit 1250. Combining heavyweight power with distinctive styling and the quality of an all new, technologically, advanced liquid cooled engine and an advanced digital fuel injection system. The Bandit is an iconic naked / sports tourer / commuter / do anything bike and that is exactly why it has stayed so popular for so long! This bandit does look a little different as it has been given fairing lowers which incorporates fairings and a belly pan all in one, and almost completely changes the Traditional look of the bike. We are giving away a FREE set of used Givi Keyless panniers so they are a code locking system rather than a key. These didn't come with the bike however they are an exact fit so if you need a set we are offering this used set of Givi's free. This bike also has ABS as standard and a tinted screen to give it the complete look. A very cheap all rounder with luggage, with a bike like this where will you go next, All this for £3495. REF
