For sale is my 2010 Astravan 1.7 CDTI. It's a tidy van in good condition, mechanically sound and has been well looked after. It's recently had a new timing belt kit, alternator, brakes and battery (alternator and battery still under warranty). Condition is good inside and out as seen in pictures other than a few scrapes on rear bumper. MOT till March 2017 with no advisories. Perfect van for anyone looking for a small reliable works van. Feel free to call to arrange a viewing or for more information. (No signal at work just leave a message and I will get back to you, or call after 6pm when I'm home) Thanks Dan ;
