Size: H:82 W:152.5 D:67cm These flat top grills are amazing, they used to be in a busy restaurant in the centre of Reading Town and now they are no longer needed. They have been thoroughly cleaned and are now ready for a new home. These great grills are perfect for someone starting up a restaurant or a catering van/food truck. They each have a valve on either side to control the size of the flames. The great Iron tops are perfect for cooking food of any variety. They can be fully dismantled as they come in 3 pieces: Top iron flat grill/Middle valve controller and Bottom wheeled base. The grills are in perfect working order, the smaller one is missing a valve handle (photo) and the bigger one is missing the gas hose that connects it to the gas bottle. They are available either separately or both as a set. Collection: These are quite heavy and so at least 2 strong people will be needed to transport it and a medium sized van.
