

## Camera wireless flash tigger 2 photo light receivers. (40 GBP)

Location

South East, West Sussex

<https://www.freedasz.co.uk/x-467438-z>

This is a trigger set [hot shoe trigger + 2 receivers] which is used for off camera flash, either flash gun or full studio flash lights with a range of 200m The trigger is wireless & will sync up to 1/250 sec shutter speed & receivers are connected with cable to light socket. All operated with AA batteries. They have a 8 channel function and are a simple, reliable and affordable radio flash trigger system. Company are Phottix who are a popular supplier in the photo accessories world. I purchased these 12 months ago for a freelance job but now I am working for company all kit supplied, only used 5 days so brand new really as per photos and in the original box with batteries. RRP today £80
