"Trudged to my local on a wet Saturday night expecting to hear the usual brand of bland covers band and got blown away!" eQuivalents are a highly experienced, professional group of musicians who are committed to making your night one to remember. Whatever the event, you can count on us to put on a show that includes something for everyone. Why settle for a dull, predictable covers band? What makes us a cut above the rest is our dedication to making sure every song sounds spot on. As a five-piece we use a whole range of instruments & percussion, as well as samples and effects to nail some of those fantastic songs that other bands dare not touch! Our repertoire is packed with rock anthems, cult classics, disco, funk, ska & much more: everything from Franz Ferdinand to Madness, Pulp to Santana, Cream to Pink Floyd, XTC to Radiohead. We can bring to life a wide range of songs and styles and are happy to tailor our set to suit your needs and.
