

Morphy Richards 10 cup filter coffee machine (3 GBP)

Location **South East, East Sussex**
<https://www.freeadsz.co.uk/x-470314-z>

Dark Green working electric filter coffee maker. It is missing the wire mesh filter. Maybe possible to use paper filters but have not tried. The hinge on glass coffee jug is broken one side, but still stays in place and is usable. May be useful for replacement parts if you have one not working or broken.
