LARGE Pair of Beautiful glass SWAN bon bon dishes W8cm x H16cm x L16cm.

I do not know if they are MURANO or how to know as these were left to me, all I know is they are pretty old, underneath has a kind of scratched affect, I guess this was done at time they were made. However, they are stunning with heart shaped eyes and bright red beaks, one is slightly taller than the other so I guess male and female.

Heavy glass not plastic moulds.

Would make a lovely present or ornament for oyur collection.

will be well wrapped with fast dispatch collection free
