A Virtual Marketing Manager is an invaluable resource – at your fingertips exactly when you need support. If you are an ambitious start-up, growing small business or a large corporate, you will benefit from results driven integrated marketing campaigns – enabling you to reach new customers and maximize your revenues from existing clients. Virtual Marketing Manager is a flexible and bespoke resource that can integrate seamlessly into your business for a fraction of the cost of employing a senior marketing professional. No job too big or too small... Why would you use a Virtual Marketing Manager? Access to a highly qualified and experienced marketing professional, without the high price tags. Fill the gaps in your marketing requirements. Flexibility - Budget is tight & you have limited marketing needs. Budgets and Overheads – All you pay for is their time, no PAYE or benefits. Too much work and not enough hours in the day. Typical examples of the type of work a Virtual Marketing Manager does: You have a project or event that needs to be completed. You need help to develop your marketing plan or strategy. You need to up-skill your existing marketing team. You need to cover long term sickness or maternity leave. You need to research or segment your marketing.
