You may just be looking to rent your home for a short time whilst you are on your travels or you may have a second home you are just too busy to Let & Manage yourself.

Huluki works by optimising your homes' rental value. We do this by managing your property through sharing economy platforms/property portals, ensuring seamless handovers (cleaning, fresh linen and handling guest queries) and maximising occupancy rates. Our rates are very competitive and start at 12% of the rental income.

Please do get in touch with us if you have a property that you wish to rent as a holiday or short term rental and arrange a free no obligation property.
