

Games Pony (40 GBP)

Location

Wales, Mid Glamorgan<https://www.freeadsz.co.uk/x-470584-z>

Oaks is a 14-14.1hh Quarter Horse mare who has taken to training really well and will make a terrific games pony for someone who can take her on further. She is a lively, enthusiastic girl but she chills out rapidly when asked. She has a great turn of speed and beats the other horses to the gate at feed time, even if she's further away! For further information, please telephone after 6.30pm or email;
