The idea for starting Scale Model Cart and online die cast shop emerged when we were scouting for scale models for ourselves that were different and out of the ordinary. But wherever we looked, all we could find was almost the same diecast miniature scale models, be it the Chevrolets, Ferraris or Harley Davidsons. Also, we wanted Diecast Collectibles which would be works of art; which would liven up the insides of someone's showcase and not be stored in some box in the attic and also which were different from the conventional 1:18 or 1:24 scales. We have scale models of automobiles of all classes: Racing Sports Military Street Taxi Utility Construction Police Public Transport Cinema The various types of die cast scale model vehicles which we have are: Cars –Vintage, Sports, Estates, Convertibles etc Trucks and Pickups Motorcycles Buses Vans On the website, we have divided the scale model collectibles into the following categories Melange – an assortment of miniature models DesiFirang–Scale models of english vehicles which were in the Indian market Les Exclusives – Rare scale models which are difficult to obtain from anywhere else. High Visibility –Die cast scale model cars which were popular in the era. Hot Sells – Our most selling scale models Scale Model Cart has grown to be one of India's Premium Die-cast Scale model providers. The scales in which we provide our scale models are 1:18, 1:24, 1:43, 1:72 and 1:76. We have also categorized our die cast collectibles into various relevant categories which will make it easier for the collectors, namely: Mélange - An assortment of scale model vehicles DesiFirang- Diecast miniature scale models of foreign vehicles manufactured in India. High visibility – Scale Models which attract the most attention on our website. Hot sells – The highest selling scale models on the website. Scale model cart intends to offer scale models that are precise, detailed and will form a remarkable piece in your diecastmodel collection. Each piece will have its history and legacy. Our catalog

of diecast collectibles of automobiles extend from before the 1900s to the post independence era. Y2K and collectible vehicles of the future. In short everything we stand for is in our garage – Diecast we love it all the usual ones they say Zaha Hato.
