- * Attractive two-tone metal shed with a shiplap woodgrain finish
 - * Maintenance-free 7-layer brown painted finish
 - * Manufacturer anti-rust perforation warranty
 - * High gables with profile ventilated roof
 - * Anchor fixings for securing to your base
 - * Sliding double door with holed handles to accept a padlock
- This metal garden shed is produced from galvanised hot dipped steel cladding, giving the shed excellent resistance to the likes of corrosion and rust. It is an brilliant storage space for the likes of tools and machinery and will not take up needed space in the garden. The exterior of the shed has a stunning woodgrain effect finish that enhances the sheds and gardens beauty.

The roof stops any chance of rain touching your items as it allows it to run off instantaneously. metal garden shed has a set of sliding double doors that can be locked using a padlock. The shed has ample headroom thanks to its tall eaves height, allowing inside access and even workspace. ;
