

For sale is my 2006 BMW Z4 3.0SI Msport in Stirling grey
81621 miles, will increase as I commute to work in it.
Serviced recently using premium products, oil, plugs and filters, and runs perfectly.
This car is my pride and joy and it's such a shame to see it go, but new commitments in my life prohibit
fast sports cars with no back seats!

This is the 3.0si model not to be confused with the 3.0i which precedes it, the 3.0si model is powered by the award winning inline 6, 3 litre N52B30, which with a lighter block, VANOS and DISA systems put it ahead in terms of both power and efficiency over its predecessor. The car as a whole has been maintained of with the utmost detail and care and has been serviced recently using premium products, oil, plugs and filters, and runs perfectly. Features include:

- Sports automatic gearbox with steering wheel mounted flappy paddle shifters
- BMW Business CD head unit with auxiliary port, 6 cd changer and iPod/Phone connectivity.
- Automatic HID headlights.
- Electric, memory and Heated Msport seats
- Msport steering wheel
- Electric mirrors
- Full climate control system with air conditioning
- Brushed steel dashboard with full leather trim.
- Msport 18inch wheels
- Msport Performance suspension

• Rain sensing windscreen wipers
 • Lane-keep control, traction control, ABS, etc. All units are a standard on the car and below
