

## **Burago Model Cars (20 GBP)**

Location Wales, West Glamorgan https://www.freeadsz.co.uk/x-470702-z

A mint and boxed collection of 14 Burago 1:18 scale Model Cars plus one mint/boxed ERTL model car. This collection is from the 80's. The cars have never been out of the boxes and are truly well preserved. I would prefer them to go as one lot but have priced them seperately in the ad. As a complete collection of 15 I would consider reasonable offers.;
