Beautiful French manufactured dining room suite with cherry finish. Extending dining table seats up to 6 without the table extensions. There are 4 chairs and 2 carvers. Each of the two extensions (one at each end) allows another 2 people to sit, so a total of 10 people can sit around the table (although you'll have to provide the extra chairs!) The table is supported by two pedestals which can be removed for transport. The sideboard is in matching cherry-finish with three cupboard doors and three drawers. The display cabinet is also in matching cherry-finish and has three glazed doors with three shelves. The place settings and cutlery plus the contents of the display cabinet are not included!...but the heat resistant table covering is included. This comes from a child-free, pet-free, smoke-free home so a minimum of scratches and other noxious substances! Buyer collects. ;
