We are hobby breeders of pedigree minilops and are looking for forever loving homes for Rosie and Oscars litter. (Mum) is a chocolate Minilop, Oscar (Dad) is a devilishly handsome Choc Otter These babies were all reserved but sadly, the prospective owners were either unwell or unable to fulfill their commitments. The pictures were taken at 3 1/2 weeks old just before their ears lopped, still gorgeous and docile!. We have reduced the price because they are now 11 1/2 weeks old and I cannot keep them with Mum much longer as they are overcrowding and still trying to suckle ! You are welcome to come and view and handle the babies. We provide a starter bag of food and hay (when needed) and an excellent aftercare service. If you are looking for a different colour, we have quite a few more babies ready in 1- 4 weeks +. I have choc otter, blue otter, lilac otter and three blue eyed white crossed with blue torte, so they are torte splits with a white band running down their noses and white patches across bodies. I also have blue, Linx, beige, harlequin, black . . . they are all very cute. These baies are priced at the usual cost of £45.00 for a baby on its own (we prfer they go in pairs but accept sometimes they can't) or £80.00 for two. There are chocolate, chocolate Otter and Blue Otter babies also, these are £50.00 each We are based in Sheffield Park near the Bluebell Railway. Why not visit the gardens or take the train or go for a walk whilst visiting us !
