

Fire grate - cast iron, complete with ash pan and decorative ash pan concealing plate

Location **South East, West Sussex**

This heavy-duty, cast iron fire grate is in excellent condition, (just would require a new coat of 'fire paint' if you were going to use it decoratively! Our family absolutely love toasting marshmallows over the natural open fire, and we are moving house next week, hence the 'fire paint' is packed, so I haven't had a chance to give it a spruce-up! It's had a good scrub though!). The size is 43cms in width x 29cms in depth x 40cms in height, (to the top of the back-plate). The grate comes complete with it's ash-pan and decorative 'plate' which conceals the ash-pan behind it. If you have any questions at all, please feel free to!
