This is an Xbox 360 Elite 120GB. It is in very good condition and it comes with all leads including a HDMI cable and the power supply with all its leads. The xbox has been looked after very well and there are barely any marks on the console itself. The only thing is that the console has to be flat for the disc tray to open. The wireless controller works perfectly fine however there is a little bit of wear and tear on the left joystick. Other than that it works perfectly and is in god condition. The games that come with it are as follows: Forza Motorsport 4, Forza Horizon, Fifa 12, Fifa 13 and Fifa 14. Any questions contact me on my.
