This car is my pride and joy and only it had for a few months, sad to see it go. Genuine reason for sale. No marks or scratches, well looked after car. SATNAV cd included. Nice 18" alloys with no marks or scuffs, brand new tyres on all 4. Xenon headlights, tinted nicely, pulls well in every gear of its 6 speed gearbox. Only 87000 miles for 2006 reg!!!!!! 2 keys in fully working order full service history and MOT till March and tax only £15 a month, 1st to see will buy. Well worth the asking price £1650.
