We do things a little differently and a little better than all the other cleaning companies in Liverpool. Because we are mums who have searched for cleaners and we've never quite got what we wanted. We don't don't believe in a quick wipe over, we don't do deep cleans, we don't need to we do cleaning as it's supposed to be done.

We take and check the references of all cleaners.

We check their photo ID so you know that they are who they say they are.

We check that they can work in the UK legally.

We interview cleaners personally. We will either email you a photograph of your assigned cleaner or we will phone you and give you a description of your cleaner. So that you always know who your cleaner is when they are referred by us.
