Traditional Chinese Medicine has been around for thousands of years. Recognised throughout the world as a natural alternative to pain relief and treatment. We have a renowned Chinese Doctor providing expert pain relief through acupuncture and traditional Chinese medicine. We also have qualified massage therapists available to support your ongoing journey of recovery. Our mission is simply to welcome and care for each and every client who walks through our door by creating that special place offering the highest level of expertise, dedication and attention, so that you will always want to return. Benefits of a full body massage include relieving of muscle pain and stiffness in the body and can reduce stress levels in most people. Massage may also help manage or reduce the symptoms of anxiety and depression. We are Chinese female therapists who are trained & certified in offering a range of massages. As such, each of our massage session will be unique depending on each individual's body condition. We truly pride ourselves on a first class service and have many regular clients who value the professionalism and personality we bring with our Oriental Style Massage.
