Hi, our school has differents teachers who can help you to learn spanish and english in a comfortable schedule. All of our teachers are Spanish native people but we have a hight level of English. It has been known for its excellent programs in the teaching of Spanish and English. Given its varied and outstanding programs, we continue to provide services to the Casual Traveler would like to learn conversational Spanish, English, or to the Business Executive who realizes the importance of the languages in the conducting of his/her business and to the student to learn how to Read, Write, Listen and Speak in Spanish/English. The high quality of programs is a testament to the dedicated professional teachers and staff who genuinely care about those whom we teach. All the employees of Language Exchange International have a deep sense of caring for our students with the goal of helping each and every student achieve their learning objectives.

It's also fabulus by the such a small price. It costs 7 pounds/1 hour, 4 punds/30 minutes and also because of it is person by person which will help you to improve in a lot less time. If you are interested to start or improve your level of english, don't hesitate to contact.
