For sale is my 1995 VW Transporter 2.4 D, I have owned this van for just over 2 years and have done over 15000 miles in the last 12 months. Mileage now is 191743 and still going strong. Just put a new MOT on him which shows he's strong in all the right places. Lots of new parts fitted by my local VW Specialist to include New water pump, New front disc's & pads, New cold start cable, New roll bar drop links, New temp sensor, New brake caliper, New rear brake compensator valve, New brake vacuum pump, New bottom ball joints, New springs and shocks lowering by 40 mm, New oil pressure switch, New OSF wheel bearing. Receipt available for all work, Last 5 MOT Cert's, Mechanically sound but it should be with the amount of money spent. This van is over 20 years old & it looks like it, Paint has faded & could do with a cut back & polish, lots of dents & scratches delivery can be arranged subject to deposit and location (this will make a cracking transporter if someone puts there time and effort into this 07848015467 078480154...(click to reveal full phone)
