AUTOTRAIL TRACKER FB 2012

The vehicle has only covered 19500 miles and is in excellent condition

The unit is a 2 plus 2 layout meaning that it is a four berth but can only take two travelling passengers, ideal for a couple looking for something to take onto the open road to explore.

The benefits of this layout provide a spacious living environment whilst also providing a fixed double bed with side washroom.

The Autotrail finish is first class and provides blown air heating, drop down television with connections to the vehicle head unit which provides digital TV in the cab and to the dropdown screen, radio, satellite navigation and bluetooth connectivity.

The Motorhome has had a solar panel fitted providing a boost to the vehicle and leisure batteries which are stowed away under one of the front bunks.

Outside lockers provide easy access to your items and are located under the front bunk and under the fixed bed. There is a barbecue outlet and outlet for an external 13amp socket whilst a factory fitted awning canopy is provided.

Gas box and electric retractable step are provided, whilst a spare wheel is located to the rear housed in its own surround. A rear reversing camera is also provided at high level to assist with parking, viewed again from the head unit within the cab.

Internally the usual Motorhome refinements continue with two captains chairs which swivel around into the living area providing comfortable space for upto six adults to sit. A round swivel table is provided together with the usual dining table which is conveniently stowed in a cupboard next to the full length

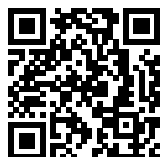

fridge with freezer compartment. A 240v microwave is housed over the kitchen area which boasts a gas hob, oven, sink, and a large storage cupboard with a board underneath.

A large light over the sink area has a mechanical shutter which allows it to be opened or closed. Skylight over the living area provides access into the living space.

A large storage cupboard provides a sink with storage unit below. A Thetford swivel top toilet with electric flush and extractor fan leading on to the shower cubicle providing ample.
