Baxter is a border collie cross with a Dalmatian. He is 5 years old and is fully vaccinated. He has been brought up with kids of all ages and is brilliant with kids. He is house trained and can be left on his own ok whilst working etc. He is very affectionate very loving and craves and gives attention. He is a very nervous dog and can be scared sometimes of his own shadow. He does not like any other animals at all. He is very nervous on walks and will bark when walking because of his nerves hence he needs someone with a lot of patience. We have advertised him for 50.00 but reasonable offer could be accepted.;
