

## Bialetti Coffee Makers (50 GBP)

Location **South East, West Sussex**

Bialetti Coffee Makers for the stove. This Bialetti coffee maker set is collectable as it is usable even on the gas stove! Wear & Tear is visible. But great condition considering its from around the 1950's approx. Which makes it even more collectable/ antique. A rare find. Heavily sought after item by the Chinese and Italians. I can possibly split this item up. Multiple Currencies like Euros maybe accepted.
