Fruity Creative is a website design and marketing strategit company based in Leeds West Yorkshire. We focus on helping small to medium businesses craft a website that represents the core message of the company brand, that not only is beautifully presented but effectively creates the results our clients have set.

If you are just starting a new company, expanding your current business, or just need a new fresh up to date website, then we are the web development company for you.

Our website design and development services start from only £500, offering affordability for our client's.

Some of the benefits of working with us:

1. Easy three step website creation process.
2. Unlimited website changes. From start to finish we keep you updated every step of the way and online make the website "live" once you are fully satisfied with the result.
3. Fast turn-around. We aim to complete all website projects within 10 to 14 days working days at the £500 to £750 price range.
4. We offer free marketing advice to help you find the right customers online and offline after the project is completed.
5. Our website maintenance team can fully protect your website online and help you complete website tasks every month with our maintenance program.

Types of websites we can provide for this price:

â—• E-commerce websites â—• Membership websites â—• Professional websites for actors, singers, consultants, â—• individual professionals â—• Company websites for sole traders and limited

companiesâ—• Fruity Creative is a website design and marketing strategit company based in Leeds West Yorkshire.
