Are you a UK Ltd company? Do you employ staff or contractors to work on particular projects? Maybe you manufacture or design new products or software. If you are an innovative and creative business with elements of R&D in your work processes, you may be eligible for a tax rebate from the HMRC! A fantastic government-run initiative, it has been designed to reward business' and inject cash flow back into UK Ltd companies (with the idea that this would be re-invested into the business - however, it's yours to spend as you wish!) There is no risk on your part and this government initiative has been in place for years, yet is not widely advertised. As of today, 95% of UK Business' that are eligible have still not claimed back their money! Contact us today and we will see if you are eligible for a tax credit and then we will process your claim from start to finish - absolutely no up front cost and only information regarding your business and projects is required! Our average claim is £26,000! You have nothing to lose! ;
