

The Gold Standard - Office 365

Location **East Midlands, Northamptonshire**
<https://www.freeadsz.co.uk/x-472163-z>

Always up to date, best in class productivity tools from Office 365 can help you: WORRY LESS, WORK EASILY, WORK TOGETHER.

Worry less: Protect what you value the most.

Your data is secure and in your control.

All the compliance features you need, in one place.

Access to 24/7 real-time support for critical issues.

Work easily: Work the way you want to.

On the go access to files, email and conferencing.

Consistent, familiar and synced experience across phone, tablet and desktop.

Create and edit documents in real time with colleagues.

1 TB online storage.

Work together: More flexibility for your collaborative workforce.

Seamless document review, creation and collaboration.

Multi-location meeting access and hosting via HD Video.

Secure platform allows private IMs with approved customers and vendors.

Word: Easy reading, easy writing, on every device.

Excel: Create order, organize data, share insights.

PowerPoint: Make your point with clarity, your style.

Skype for Business: Communicate with customers, collaborate with colleagues.

Outlook: Stay productive and connected.

OneDrive for Business: Sync files across all your devices. It starts with a free trial of office 365 and then you can go on to be in the cloud alongside the business of Microsoft Office with a subscription. Integrated with the cloud or will not be used and provide support. What is the cost? None. There are no sales, no financial information is required to set it up. It is a cloud like you know, more and more of us know us know.
