

Italian Leather L-Shaped corner unit sofa (440 GBP)

Location **North, Cheshire**

This Italian leather corner unit sofa is less than 3 years old and in very good condition, however there are a few scratches on the back due to removal men not being careful, but these are out of site. It can be joined together or have them separate(this is how they are at present) as it is too large for my new home. Hence the reason for selling, downsizing. Viewing is welcome. I can be contacted via mobile 07949 689427 07949 6894...(click to reveal full phone number) . I am open to nearest offer to my asking price. Thanks for looking.;
