Want to Look Even Better with your Little Black Dress this Festive Season? What is Non-Invasive Lipo and why should you try it...

Ultrasonic non-invasive Lipo is the pain free aid for inch loss and amazing body shaping. With no pain, recovery time or huge price tag non-invasive Lipo is the newest and best way to nip and tuck the areas you simply can't shift through diet and exercise alone. Using Ultrasonic Lipo the adipose fat cells are broken down using heat and vibration, and then eliminated by the body using the natural lymphatic drainage system. Have a consultation plus a 10 min trial on any of these areas This method is fantastic for combating those really 'hard to shift' areas such as: Abdominals (Lower and Upper) Hips Triceps Bottom Thighs (Inner and Outer) Call us now to Book a consultation!
