Helping people make successful buildings insurance claims! Aspray specialise in managing property damage insurance claims from inception to completion. We manage the whole process including the reinstatement of your property to its pre-loss condition as swiftly as possible. There is no charge* to you, the policyholder, for the Aspray service, provided we can instruct and project manage our own vetted contractors. However, any excess stated within your policy will still apply. We will visit your property, meet with loss adjusters where needed, liaise with your insurer, draw up a detailed schedule of works, agree costings, supply vetted contractors and oversee the reinstatement works. Aspray may pay £100 towards your property insurance excess when you instruct us to manage your claim and all reinstatement works have been completed. (Terms and Conditions apply) Aspray Bournemouth is a trading name of RSK Property Loss Management Services Ltd and is authorised and regulated by the Financial Conduct Authority and is entered on the Financial Services Register (www.fca.org.uk/register) under reference 466101 for claims handling only. *There is no charge for the Aspray service, provided we can appoint and project manage the contractors who carry out the repair works, as Aspray are paid directly by the insurer. Please note any excess will still apply.
