Do you have business or investment interests abroad?

Many business persons are investing offshore. Many companies that import and export have not yet discovered the advantages of restructuring offshore to maximize their profits.

Some of the principle uses for going offshore are:

- * Trading
- * Investment
- * Holding
- * Financing
- * Professional services or consultancy
- * Patent, royalty and copyright holding
- * Ship management and yacht owning

* Personal and corporate tax planning PRO Desk provide a variety of document services designed to help you to receive government approval and attestations for all of your important documents and contracts.

The success of a business is built on a number of variable, one key area is the contracts that it issues and it holds. Understanding the legal position of a contract is an area where we excel. PRO Desk understands the sensitivity and complexities of contract law and offer non-disclosure agreements for all of our clients. For more information contact:
