iBAN Wallet is an app that helps you control your finances, allows you to transfer money between you and your friends, and creates an interaction between borrower and lender, taking money management, investment and borrowing to a completely new level. Through the app, the users will have a modern money management tool, integrated with gamification and risk management. We offer you the chance of getting a higher return on your money and to contribute for a better society in the meantime. Be a part of Fintech and help create a fairer market.
