APPLE IMAC 20inch 2.16ghz Core2Duo Late 2006 Lion OSX 10.75 which is in excellent working order. This comes with a usb wireless mouse and genuine Apple bluetooth keyboard. This has 2gb of ram with a 500GB hard drive and a backup copy of the OSX 10.72 which can be used to install the whole operating system if you wish to in the future. DVD writer dual layer is fully functional and the whole system is very clean. This comes also with the separate remote control which is still in its clear original wrapper! The Imac is in excellent condition and has a clear sharp screen with great sounding speakers which are a treat to listen to music and watch video.
