I am selling this two piece nearly new Soft Brown Leather Sofa. This item was brought for £450 on Ebay 3 months ago, before I was given another set of chairs by my brother who is going abroad. So just to create space I have decided to sell this nice sofa on. This two piece sofa, the large one can accommodate three people conveniently, while the small on two people. I am sure this is a big bargain for this very low price of £150. If you have any question please ask. Thanks for viewing (Note : This item comes from a smoke/pet free).
