sadly I am having to sell my 14 week old Rottwieller puppy dog. He is vaccinated and micro chipped is good with children and other dogs, he is partially toilet trained and goes on paper or pads and in the garden or on walks. He is very loving and loves to cuddle up with us on the sofa. It is with a sad heart that I am having to sell him as I have a change of circumstance and cannot afford to feed him and my children on my own.;
