Epson SX125 Printer with many inks, Also Computer Monitor, Keyboard, and Mouse (

South East, West Sussex Location https://www.freeadsz.co.uk/x-472988-z

Epson SX125 printer with probably £250 worth of printer inks - full sets, too many for me to count. Test the printer when you buy, perfect working order inks will last ages. Plus 20" computer monitor with wired keyboard and mouse. All in excellent condition and perfect working.
