

## HearampPlay Piano Lessons - learn popular songs without score

Location Scotland, West Lothian https://www.freeadsz.co.uk/x-473046-z

Learn to play the piano by playing your favourite popular songs without score needed.

Private piano lessons which are tailored to your needs are based on playing your favourite popular songs and learning from them without needing to read score or play at sight.

As an educated pianist, I realized that most joy I got out of playing was when I was playing songs I loved. By figuring out how to play your popular songs by Beatles, Queen, Aerosmith and others, you will learn:

- music harmony,
- chords,
- rhytms,
- music patterns.

while having fun.

Lessons are suitable for everybody (from a beginner who never touched a key to a pianist who'd like to learn songs without score needed). and are conducted in my home in Wester Hailes, Edinburgh or in your home, if needed.

Feel free to book your lesson via phone or E.
