

## Confidence-giving, friendly horse (15 GBP)

Location **South West, Avon**

Our 14.2 hh, New Forest x Thoroughbred, 22-year-old mare needs an extra person to commit to her care and exercise one regular day per weekend (possibly more if required). Despite her age she hacks happily (alone or in company) around our 200-acre farm and benefits positively from plenty of exercise. An experienced, lightweight adult rider who loves to hack rather than compete or jump would be ideal. A contribution is required. Kept north of Bath near Lansdown/A420 on a friendly, private farm with idyllic off-road hacking from the door, further bridle paths in all directions and a floodlit outdoor school. Inspirational and sensitive teaching/support is available on site. ;
