

Mercedes Vito 2004 (550 GBP)

Location **South East, East Sussex**

This is a non-runner (but can be started up and driven away) due to undiagnosed electrical problems. MOT expired 14/3/2016. 4 nearly new tyres. This has been a great van until electrics packed in, very powerful. Plenty of parts to salvage for someone with a Vito or the know how to fix.
