Quote Ref 2016-829

1995 (October) Toyota Hiace (LH123) E.spirit camper 2800cc diesel auto: Grade 4 with small clean repair to the rear step. Scratch on sliding door. Alloy wheels (16") with good radial tires. Tinted windows with curtains. Rear camera with dash monitor. Large side awning. Top roof vent with electric extractor fan (and warning light on dash if open so that you don't drive off with it open). Roof side vent/windows with screens and blinds. Also screens for rear side windows. Front and rear aircon. Rear independent heater (Webasto operated on diesel). Fridge (Engel—the best). Sink with water pump and shower hose. Table. Two double beds. Twin sub batteries with converter and digital display. Exterior electric plug-in. (will need adapting for 200v as presently 100v (good for Europe). Portable stove unit. Remote door locking. Room in the rear area for a porta-potty. A very clean interior. The rear seats give the impression of having been re-upholstered recently but perhaps they have just not been hardly used. 60.000 miles with timing belt changed Gold
