Ex racehorse, chestnut, 15.3hh 11 yrs, gelding for part loan to confident, caring rider. Does wind suck but we have never seen this as an issue. He is sensible but obviously has the potential for high speed so someone who doesn't mind that. Great hacking alone or in company. Possibly willing to also part loan our bright bay, 15.1hh ISH, gelding also 11 yrs. Can be strong but uncomplicated so again would suit confident, caring rider. Kept on private, small yard (only our two horses currently) with kitchen/toilet facilities next to stables. Fantastic hacking out on downs above Lewes. Cost per month per horse for half loan = £239 pcm but if suitable rider is keen and committed (no fair weather riders please) will consider.
