Covering the northeast! We travel to your home or place of work TerraClean is a unique decarbonization technology which makes a significant improvement to the Emissions, MPG and Driveability/Performance of your vehicle. Has your car failed its Emissions test ? is it driving sluggish, smoky? Petrol, Diesel, Car or Commercial, Terraclean Can benefit you, here's a few examples. BMW 1.8 Petrol: Got the terraclean done to my car the day as felt the need the car could benefit from it and once it was done the engine was a lot smoother and throttle response much better a would highly recommend this as top quality service. Audi a4 2.0 tdi: great service well happy, my car used to smoke on full throttle now nothing, took a hr very friendly service i would highly recommend The TerraClean service is available for both Petrol and Diesel engines and available for most makes and models of cars as well as vans & trucks, the process cleans through your fuel injection system and removes carbon deposits from the entire fuel system.

Proven results we see time after time are:-

- * Restored Performance
- * Improved Throttle Response
- * Smoother Running
- * Lower Exhaust Emissions
- * Increased Fuel Efficiency Check out our competition on our page and win this service for free! Discounts for traders, taxis, group booking and fleets, Share and like our page and receive a £8 discount
- <https://www.facebook.com/ssterracclean/?fref=ts> * Mobile to your home or place of work
- * Free diagnostic scan before your clean
- * Diesel service

* Petrol service

* For all cars except 4x4s and 4x4s with mechanical problems. Terraclean is a unique technology that works all over the engine and not just the injectors. We do this by using a special cleaning solution that is injected into the fuel system and cleans the entire system. This is a great service for all cars and vans. We offer a 12 month warranty on our work. If you are not happy with your service we will refund your money. We are a family run business and we are proud to be a part of the community. We are based in Northumberland and we serve the whole of the northeast. We are a family run business and we are proud to be a part of the community.
