This is Carrera Vulcan Men's Mountain Bike is a feisty MTB that's about much more than style. It has an alloy frame giving you both strength and lightness, as well as a Suntour XCM HLO suspension fork with 120mm of travel, making your rides over rough and bumpy ground much more comfy. Clarks EXO hydraulic disc brakes can be relied upon to bring you to a screaming halt in all weathers (hopefully without the noise!), and 24 speed gears will ensure you are king of the hills.

Frame: Lightweight aluminium Forks: 120mm Suntour Front suspension & lockout feature helps on uphill climbs Gears: SRAM X4 24 speed gears offer a wider range of gears for precise shifting Brakes: Clarks hydraulic disc brakes for self-adjusting stopping power Wheels: Larger 27.5" wheels with Kenda MTB tyres for better grip.
