I am in the process of splitting from my partner so am looking for some temporary accommodation until I can arrange a mortgage to buy my own place. I am in full time employment so a deposit wouldn't be a problem I have a housetrained and very laid back and friendly dog but it will go to work with me and not left in the room on its own at any time. Ideally I am looking in the Willingdon trees/ Hampden PK area as I don't want to be too far away from my 2yr old
