Dyson's smallest, quietest vacuum cleaner. Powered by the Dyson digital motor V4. Radial Root Cyclone technology Remodelled airflows to capture more dirt and microscopic dust in the bin. Dyson digital motor V4 DC49 Multi Floor is Dyson's smallest vacuum. But it's powered by the Dyson digital motor V4, so it performs like a full-size machine. Ball technology Turns on the spot and follows you effortlessly around the home, without the awkward moves. Latest carbon fibre turbine head Stiff nylon bristles remove dirt from carpet, and soft carbon fibre filaments gently remove dust from hard floors. Lightweight and compact Weighs just 4.9kg. Engineered materials selected for their strength and durability. Ideal for Flats, Caravans , Campervans, even a full sized house (as long as you empty the collection bin on a regular basis.... but then again who doesn't!!!) Comes with a variety of tools as shown £75 or nearest sensible offer (selling at £250 used on Amazon) Buyer
