

# Laser technology is increasingly being used in workplaces.

Location **East Midlands, Leicestershire**  
<https://www.freeadsz.co.uk/x-474105-z>

This is a vocationally related qualification and is paying attention on reducing hair growth and photo transformation of the skin using strong light and laser treatments. In this qualification you will build up an understanding of managing safe working practices and how to identify and control hazards. For more info visit to our website <http://www.aestheticlasertraining.co>
